Active participation in the lesson is necessary to receive the attendance.

Homeworks and assignments should be handed in the due date.

Makeup exams: You need to inform the teacher you will miss the exam one day before the exam date. To get a makeup exam you should get a doctor to report from the Health Center at the University or if you are not on campus, a doctor's report from a public hospital. You should bring this report to the SU health center and get it approved.

## **ACADEMIC HONESTY**

Learning is enhanced through cooperation and as such you are encouraged to work in groups, ask for and give help freely in all appropriate settings. At the same time, as a matter of personal integrity, you should only represent your own work as yours. Any work that is submitted to be evaluated in this class should be an original piece of writing, presenting your ideas in your own words. Everything you borrow from books, articles, or web sites (including those in the syllabus) should be properly cited. Although you are encouraged to discuss your ideas with others (including your friends in the class), it is important that you do not share your writing (slides, MS Excel files, reports, etc.) with anyone. Using ideas, text and other intellectual property developed by someone else while claiming it is your original work is *plagiarism*. Copying from others or providing answers or information, written or oral, to others is *cheating*. Unauthorized help from another person or having someone else write one's paper or assignment is *collusion*. Cheating, plagiarism and collusion are serious offenses that could result in an F grade and disciplinary action. Please pay utmost attention to avoid such accusations.

## CLASSROOM POLICIES AND CONDUCT

***Do the homework*** weekly or your final grade will go down. You need to check the homework every week in the SuCourse+. The homework will be corrected in the 3rd hour of every Tuesday lesson.

Mobile phones should solely be used for Spanish learning (***no WhatsApp***, or other personal uses)

***If you are late*** for a lesson for more than 1 minute, you will be counted as late. If you are late for more than 10 minutes you will be counted as absent.

***If you miss lessons*** your attendance grade will go down. Occasionally, you may still recover part of your attendance grade if you catch up on your own with the content you have missed. You will need to show me the work you did on your own.

You need to ***bring the materials*** to learn to every lesson (*coursebook, exercises book and a notebook to write down notes, computer/tablet, headphones*). If you don't bring these materials you cannot participate and your attendance grade will only count half point.
