GENERAL INFORMATION

"We may have to revise the course plan according to the reassessment to be made country-wide, regarding higher education, at the beginning of April. The content to be delivered is certain but the method of course delivery, the number and dates of exams, and some other details are subject to change."

CIP 101 is a student-focused social responsibility course. It aims to introduce students to concepts such as participatory democracy, active citizenship and civil society and to mobilize them through these concepts with the awareness they will gain on social issues through the course.

- Weekly topics and materials will be on Sucourse.
- Each student will be assigned to a project group and each group will have fieldwork for 3 weeks per semester.
- The link of online classes is: https://sabanciuniv.zoom.us/my/cipkurumsal
- Each group will have a supervisor.
- Information about the group discussion meetings will be e-mailed by your supervisor.
- Each student should get %75 to pass the course.
- Sona system: If you participate in studies this semester, you will get a bonus equivalent to a weekly meeting within the scope of CIP 101 course. To get a bonus each student needs to get 5 research points.
